

# UPDATED BROCHURE - SPEAKERS ADDED

AIR & WASTE MANAGEMENT ASSOCIATION  
LAKE MICHIGAN STATES SECTION

## RCRA and the Greening of Waste

**Thursday, May 26, 2011**  
**8:30 a.m. - 4:30 p.m.**

**Abbington Banquets**  
**3 South 002 IL Route 53 (Route 53 and Butterfield)**  
**Glen Ellyn, IL 60173**

Lake Michigan States Section of the Air & Waste Management Association will be hosting the annual one day waste conference to provide environmental professionals a better understanding of the recent and emerging developments pertaining to the treatment, storage, and disposal of hazardous materials and solid wastes . This seminar is directed to hazardous waste generators, environmental managers, TSD facility operators, environmental consultants, compliance specialists, environmental attorneys, and regulators who to want keep up with RCRA waste issues.

This year, prominent leaders from government, industry, legal and consulting have been invited to provide attendees information and insights on the topics of compliance, including State and Federal updates and discussions of Generator and Transporter Requirements, Green Remediation, Construction Debris Management & Disposal and Other Hot Topics, including Universal Waste, Green Washing and the newly proposed Definition of Solid Waste.

A networking reception will be held immediately following the conference.

There will be space for a limited number of exhibitors. Cost will be \$550 for a 6' tabletop display. Exhibit cost includes one full registration plus additional amenities.

**LM-A&WMA is an authorized CLE provider. Attendees in need of CLE credit can sign up to receive a CLE certificate for 6.25 hours. Attendees of this conference are also eligible to receive a PDH certificate for 6.25 hours.**
